# ACCESSORIES

The perennial traveller's problem: what's the best way to organise and secure your essential items on a well-planned trip? Our range of accessories combine smart design with RFID protection to secure and organise your cash, cards and documents. You can rest assured that your sensitive data is protected.

# RECYCLED WALLET

A range of wallets designed with travel in mind - for securing and organising your documentation to help you enjoy your trip.

All of our wallets are made from **recycled nylon**, a fabric with environmental advantages but no loss in the durability or style.

Our wallets utilise an RFID blocking material which acts as a barrier against RFID signals, dramatically reducing the risk of identity theft from bank/credit cards.

# WASHGEAR

Over 20 years ago Lifeventure introduced the first lightweight, compact and ultra-absorbent Trek Towel to the travel accessories market and the range has developed a cult following ever since. Our wash accessories mean that you can go on any trip fully prepared. As with all Lifeventure products, functionality, reliability and style are key and every product is specified to the highest standards.

# RECYCLED SOFTFIBRE TOWELS

We have recreated our signature SoftFibre travel towel using recycled materials. These towels are made from recycled single-use water bottles.

These towels are made from **recycled water bottles**. They are just as soft and durable as before, but now more sustainable.

All of our towels are treated with Polygiene® active odour control. The formula prevents the build up of odour-causing bacteria, keeping your towel cleaner and smelling fresher for longer.

## PRINTED SOFTFIBRE TOWELS

- SoftFibre - extra soft-feel
- Lightweight and compact
- Highly absorbent
- Treated with Polygiene® odour control
- Dries 8x faster than a conventional towel
